

Title: Discontinuation of SafeStream Flexible Faucet Adaptors	
Document No: NOC-2004	
Revision: 1	February 2020

We are writing to inform you that due to obsolescence of key components from our supplier, we will be discontinuing the SafeStream Flexible Faucet Adaptors effective immediately, dated February 17th, 2020.

There will be a limited number of these parts available for sale until stock is depleted.

**1 For additional information on support/service, please reach out to your local sales or service rep*

1. Affected Products:

This affects the following part numbers, BCS-103, BCS-109 and BCS-110.

Part number	Description
BCS-103	SafeStream M, 20 inch
BCS-109	SafeStream S, 10 inch
BCS-110	SafeStream L, 30 inch

Image 1: SafeStream adaptor.

2. Reason for change

Due to obsolescence of a key component for the SafeStream adaptors by our supplier, we have concluded that we can no longer adequately supply and support these products and therefore, they are to be discontinued, effective immediately.

3. Replacement Products

As of the 17th of February 2020, the part numbers listed above are no longer supported and there are no replacement alternatives in place.

4. Date of change

All part numbers listed in this document are discontinued from the 17th of February 2020.

5. Product availability

There will be a limited number of SafeStream adaptors available to purchase until stock is depleted. Following this, these products will no longer be available for sale. We apologize for any inconvenience this may cause.

If you require further information please feel free to contact your local rep, distributor or email the office on blss.sales@brooks.com.

Thank you.
