Product Change Notice

Description	4ti-0566/384 product discontinuation
Creation Date	5 th July 2022
Product Change Notice Number	2209
Revision	Revision A
This Product Change Notice supersedes the following documents:	N/A

1. Description and Reason for Change

We are writing to inform you that as part of our aim for continuous improvement, the 4ti-0566/384 is to be discontinued, effective immediately.

*Please note – **this does not impact** the standard 96 cross-cut window product, 4ti-0566.*

This change has become necessary as it is becoming increasingly difficult to maintain the quality and productivity levels due to ageing production line equipment. This decision has also been taken to best maximize our manufacturing efficiencies through the rationalization of a low demand product – allowing for focus on the scheduling of our core and higher priority product lines.

2. Communication Distribution – Need to know list

Customer's Procurement	Sales Managers to inform
Customer's End User	Sales Managers to inform
Customer's Service Team	Sales Managers to inform
Azenta Life Sciences Service Team	Product Management to inform
Azenta Life Sciences Customer Care Team	Product Management to inform

3. Classification of Change

Customer Notification	Yes
Information Only	

Confidential: The information is confidential and is to be used only in connection with matters authorized by Azenta and no part of it is to be disclosed to others without prior written permission from Azenta.

DOCUMENT NUMBER: QMS101778	TITLE: Notice of Change Form	
REVISION: A DCO# DCO005185	DOCUMENT CLASSIFICATION: 04-Form, Template or Other	

4. Impact of Change

The product 4ti-0566/384 will be discontinued, effective immediately. Whilst the 384 version of our pierceable film is to be discontinued – no impact will occur to the current 4ti-0566 pierceable film product (see below).

Item #	Description
4ti-0566	Pierceable Film, strong adhesive seal with 96 cross-cut windows, 100 sheets (135 x 77mm) per case

5. Affected Part Numbers

Item #	Description
4ti-0566/384	Pierceable Film, strong adhesive seal with 384 cross-cut windows, 100 sheets (117 x 80mm) per case

Please note this affects all custom and treated products that contain this as a base part number.

6. Replacement Products

Not applicable.

7. Recommended Action

This discontinuation is effective immediately,

8. Specification of current & replacement products

Not applicable.

9. Timeframe for implementation

Effective immediately – 5th July 2022.
