## Product Change Notice

<b>Description</b>	<b>2D- coded Sample Tube Discontinuation</b>
<b>Creation Date</b>	<b>21<sup>st</sup> July 2022</b>
<b>Product Change Notice Number</b>	<b>2210</b>
<b>Revision</b>	<b>Revision A</b>
<b>This Product Change Notice supersedes the following documents:</b>	<b>N/A</b>

### 1. Description and Reason for Change

We are writing to inform you that as part of our aim for continuous improvement, part of our 2D-coded Sample Tube range will be discontinued, effective from Friday 12<sup>th</sup> August. Orders before the effective date can be guaranteed, orders after the effective date of can only be fulfilled until the stock lasts.

This change has become necessary as it is becoming increasingly difficult to maintain the quality and productivity levels of these products due to ageing production line equipment. This decision has also been taken to best maximize our manufacturing efficiencies through the rationalization of a low demand product – allowing for focus on the scheduling of our core and higher priority product lines.
