This Product Change Notice supersedes the following documents:

N/A

Description and Reason for Change:

We are writing to inform you that as part of our aim for continuous improvement, the high-speed single column tube Capper/Decapper line – XSD range – is to be discontinued, effective immediately. To ensure a balance between responsiveness and efficiency that fulfils the demands of our target customers in terms of the Capper/Decapper portfolio, we have decided to EOL the complete XSD range and respective accessories.

This includes:

- XSD-4: Single row capper/decapper for 24 format tubes
- XSD-6: Single row capper/decapper for 48 format tubes
- XSD-8: Single row capper/decapper for 96 format tubes

Impact of Change:

This change is effective immediately, but open orders will be fulfilled.

Customers that have purchased any instrument listed below may still obtain service and parts from the provider for 2 years from the date the product model was last supplied.
